

Wildground Federation Theme Learning Plan

Context for Learning: Magical Adventures	Term: Autumn 1	Year group: Year 5
---	-------------------	-----------------------

	<p>Language: To develop our communication skills we will:</p> <ul style="list-style-type: none"> Study the poetic features of: alliteration, similes, metaphors, onomatopoeia Look at the use of our senses to infer emotions Understand how to gain an emotive response from our reader via diary writing
	<p>The arts: In developing the arts we will:</p> <ul style="list-style-type: none"> Study the work of Henry Moore Practice drawing in proportions when drawing people Use mod roc to create a sculpture of a person/ wizard in motion Choreograph the story of Harry Potter through dance
	<p>Inclusion: To be as inclusive as possible we will:</p> <ul style="list-style-type: none"> Revisit our school golden rules and how to stay safe and respectful Discuss what bullying is and how we are all responsible for helping to make changes Discuss stereotypes and the effect this has on individuals as well as communities Discuss peer pressure and what this can be about inclusion
	<p>Possibilities: In order to widen our knowledge and understanding of the future we will:</p> <ul style="list-style-type: none"> Talk about being a sculptor and the skills they have If we were inventers we could use the skills we learn in science to help us
	<p>Environment: As people concerned with our environment we will.</p> <ul style="list-style-type: none"> Looking into filtration (cleaning water) and separating materials

Main Areas of Learning

As writers we will...	As scientists we will...	As designers we will...	As artists we will...
Read the poem 'The Magic Box' by Kit Wright discussing the use of free verse and poetic techniques used. Read 'The Last Spell Breather' by Julie Pike focusing on comprehension, character development and setting. We will be taking on the role of different characters through drama and diary writing.	Have a focus on solids, liquids and gases. We will study: *States of matter and how they change *What techniques separate solids *Using filtration to separate materials *Planning a fair test to separate a mixture *That dissolving, mixing and changes of state are reversible changes	Design a magical character sculpture based on the style of Henry Moore using Mod Roc.	Use a range of different media to create and modify sculpture of the human body showing movement.

In addition...

As mathematicians we will...	In learning about ourselves and others we will...	In learning about beliefs we will...	As musicians we will...
Develop our understanding of place value looking at number up to 1,000,000. Rounding 5 and 6 digit numbers to the nearest, 10, 100, 1000, 10,000 and 100,000. Adding and subtracting with numbers up to 1,000,000.	Develop our understanding of democracy and how everyone has his or her own role in society and the classroom.	Learn about belonging and what this looks like for us in school, out of school and what belonging looks like for members of the Muslim faith.	Look at techniques that composers use to depict different emotions and events focusing at the composer Gustav Holst

Wildground Federation Theme Learning Plan

Multiples, factors and common factors Begin multiplying 3 and 4 digit numbers by single and double digits.			
---	--	--	--

Outcome(s): Children will have a poems and Henry Moore inspired sculptures.
