

Wildground Federation Newsletter

Newsletter 240: 22nd July 2026

Executive Headteacher – Mrs. Mullett

Head of Infant School – Mrs. Summers, Head of Junior School - Ms. Mason-Hewitt

Message from Mrs Mullett

We are now at the end of the academic year and it has been another very successful year here at Wildground. The children have continued to work very hard and I am very proud of them all. Great results have been achieved this year in Early Years, year 1 Phonics, year 4 Multiplication and year 6 SATs. The percentage of pupils achieving the expected standard in Reading, Writing and Maths at year 6 was 71.4%. This is nearly 10% higher than the national average last year and a fantastic result.

Last week the year 6 residential took place at Avon Tyrell. The children had a wonderful time trying out many new activities. The Avon Tyrell staff commented on how well behaved and sensible the children were. A huge well done to all the children involved and to all the staff who gave up their time to support the children throughout the week.

Last night year 6 performed their production of old school days at their leavers presentation evening. The show was amazing and thoroughly enjoyed by all. I would like to wish year 6 the very best as they begin the next part of their learning journey at secondary school. I am sure they will continue to achieve great things.

Today we are saying goodbye to a number of staff- Miss Bowman, Mr MacGregor and Miss Petty will be leaving Wildground. We wish them well and thank them for their dedication.

We are also saying goodbye to Mrs Venables who has been a member of support staff at the Junior school for 17 years and has provided fantastic support to many children during this time. Mrs Mullen is also leaving us today after 11 years at the Infant school, many of which as teacher in charge of the nursery. Mrs Mullen has played a key role in the development and growth of our very successful nursery. We wish them both the very best and thank them for all their commitment.

We would like to congratulate Miss Bath-Smith who is getting married in the summer and will be Mrs Chilcott when we return to school in September and Miss Saward who is also getting married in the summer and will be Mrs Coombes in September. We wish them and their future husbands the very best.

The children completed the Wildground Wiggle and Dribble last week and have raised £587.50. Well done to the children and thank you for your support with this.

Finally I would like to wish you all a wonderful summer holiday with lots of special family time. Thankyou for your continued support and we will see the children back at school on Thursday 3rd September.

Rounders Team Celebrate Bronze Medal Success

Congratulations to our fantastic Rounders Team, who achieved an impressive third-place finish and proudly brought home bronze medals at the tournament on 1st July. The team demonstrated excellent teamwork, determination and sportsmanship throughout the competition. They played with enthusiasm and resilience, showing great skill in both batting and fielding against strong opposition. Their positive attitude and commitment helped them secure a well-deserved place on the podium. We are incredibly proud of all the players for representing our school so brilliantly. Winning bronze medals is a wonderful achievement and reflects their teamwork and perseverance. Well done to everyone involved.

Reminder: Permissions on Arbor

In readiness for September some permissions have been updated. Please login into the Arbor portal where you will be prompted to provide consent. If you have any questions, please contact the federation office.

Upcoming Changes to Free School Meals

Please refer to the email we sent regarding changes to free school meals, which will take effect from 1st September 2026.

<https://www.gov.uk/apply-free-school-meals>

YR Marwell Zoo

Year R enjoyed an exciting and educational trip to Marwell Zoo, where we saw lots of amazing animals, including giraffes, red pandas, zebras, rhinos, monkeys, and even the sloth! One of the highlights of the day was working with the Marwell Zoo Education Team. We became conservationists for the day and learned what conservation means and why it is so important to protect wildlife and their habitats. The children took part in fun, hands-on activities and used their knowledge to crack a secret code, making the learning both exciting and engaging. Throughout the day, all of the children followed our school Golden Rules and demonstrated excellent behaviour. They represented the school brilliantly, showed curiosity and enthusiasm, and enjoyed sharing their favourite animals with their friends. A huge thank you to all of the parents who volunteered to help on the trip. Your support made the day possible, and we are very grateful for your time and assistance.

Uniform

We have plenty of preloved uniform available, washed and ready to wear. As many items have no name labels, please get in touch with the federation office for help with sizing.

Key Stage 1 Cricket Festival

On Tuesday 30th June 11 children from Year 1 and 2 had a fantastic time playing Cricket at Calmore Infant School. The children practiced different cricket skills including bowling, batting and working as a team. The children should be extremely proud of themselves. They showed exemplary behaviour and all thoroughly enjoyed the afternoon!

Early Years Donation Request

Can you help support our Early Years classrooms?

We are looking to enrich our learning environments with a range of resources. If you have any of the following items at home that you no longer need, we would be very grateful for donations:

Items we are looking for:

- Board books
- Baby toys
- Wooden toys
- Dolls house
- Old keys
- Plants
- Soft toys
- Construction Kits
- Children's welly boots
- Children's puzzles
- Children's board games
- Natural objects (e.g. shells, stones, pinecones)
- Baskets

Thank you for your support!

Your donations help us create engaging, hands-on learning experiences for our children.

Please bring any items to the federation office.

Opportunity for parents: Share your views on your child's education and the Hampshire SEND Local Offer

We have been asked to share the following:

We would appreciate your support in sharing the survey below with parents and carers. Their feedback will help shape Hampshire's Accessibility Strategy and improvements to the Hampshire SEND Local Offer.

Share your views on your child's education, support and the Hampshire SEND Local Offer

We would like to hear from Hampshire parents and carers about your child's education and support experience.

Your feedback will help shape Hampshire's Accessibility Strategy – a plan for improving access, inclusion and support for children and young people in education settings across Hampshire. It will also help us improve the Hampshire SEND Local Offer, which provides information about help and services available for children and young people aged 0–25 with special educational needs and disabilities (SEND) and their families in Hampshire.

The survey asks about topics such as:

- How welcomed and included your child feels in their setting
- How well their needs are understood and supported
- Any barriers they face in accessing education and school activities
- How easy it is to find information and support through the Hampshire SEND Local Offer

Your views will help us improve information, services and support for families across Hampshire.

Complete the survey here:

[Hampshire SEND Local Offer and your views on your child's education and support](#)

Thank you for taking the time to share your experiences.

Staying safe around water this summer

We have been asked to share the following:

With schools about to break up, we know that many families, children and young people will be enjoying spending time in water over the summer.

While rivers, lakes and the sea can seem tempting in warmer weather, open water can be dangerous – even for strong swimmers. Please remind children, teens and young people of the following advice:

- Stick to lifeguarded areas
- Don't swim alone
- Take it slow when entering cold water to avoid shock
- If in difficulty, 'float to live'

If you're the parent of a teenager, do talk to them about not drinking alcohol and swimming.

For more information and advice, check out Hampshire Safeguarding Children Partnership's Water Safety Toolkit. This also includes information on keeping babies and younger children safe in water.

Remember - **phone, float, throw**. In an emergency, always call 999 or 112 and ask for the coastguard if appropriate.

By taking a few simple precautions, we can all enjoy the water safely this summer.

Y4 Wrap Tasting Parent Cafe

We received lovely feedback from a parent regarding the Y4 Wrap Tasting Parent Cafe that took place earlier this month:

"Just wanted to share my gratitude with the teachers for arranging the Parents Cafe. The wraps that were made were genuinely delicious...We went shopping together, chose all the ingredients and we made them together. What a beautiful experience of bonding with a child through an act of cooking. Thank you so much."

Y3 St. Barbe Trip

In May Y3 travelled to Lymington to experience the St. Barbe Museum and Art Gallery. The children explored the Romans, looking at artifacts, discovering clothes, coins and had a brilliant museum speaker telling them lots of facts. Y3 loved learning more about the Romans as part of their Rotten Romans topic.

flu: 5 reasons to vaccinate your child

- 1. Protect your child**
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
- 2. Protect you, your family and friends**
Vaccinating your child will help protect more vulnerable friends and family
- 3. No injection needed**
The nasal spray is painless and easy to have
- 4. It's better than having flu**
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- 5. Avoid costs**
If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).

What parents need to know about

GRAND THEFT AUTO (GTA)

grand theft auto

Grand Theft Auto is an action-adventure video game series where players control criminals and wreak havoc in order to complete missions and progress through the game. During the early stages of the game, it solely focuses on completing missions to go up a level. However, as the game grew more popular the makers of GTA decided to introduce a narrative to each edition of the game. The aim of this was to increase user engagement, making gamers believe that they were not just playing as the character, but they became the character. Grand Theft Auto is accessible on a number of devices including PlayStation and Xbox, desktop computers, PSP, Nintendo DS, and Mobile.

Top Tips for Parents

THE RISK - PLAYING WITH STRANGERS

When buying GTA V you automatically have access to Grand Theft Auto Online, a version of the game that allows players to play online. They can play alone, invite players to a game, or be involved in public 'sessions' where people will be picked at random to play. When you first load into a game you are automatically placed into an open lobby, meaning you play with random people. The 'social club' is GTA's very own social platform where users can chat, share in-game photographs (which users can like and comment on), and even message other users directly.

What parents can do

To prevent your child playing with strangers on the game, you can change the settings to ensure they only play with their approved friends list. Upon signing up to the social club, it automatically sets a player's visibility settings to 'everyone', meaning their name and profile information is made public. Parents can alter this by changing the visibility settings to 'only me'.

WARNING!

Due to the nature of the game and the age restrictions, GTA includes content that is inappropriate for anyone under the age of 18, including sex, nudity, violence, profane language, and substance abuse. These are the main components that make up the game - you have to do certain things and witness certain things in order to move on in the game. Exposing your child to this type of content could affect their morals and understanding of right and wrong. Additionally, your child could become desensitised to similar situations, reinforcing the fact they would find it hard to differentiate between right/wrong and good/bad.

THE RISK - ONLINE HACKERS

Hackers can make money by helping users cheat in the game. They can do a number of inappropriate things, including killing people, stealing weapons, spawning money into the game, and even raping other characters. Spawning money tends to be a gamer's most popular choice, being able to buy \$100,000,000,000 (of in-game currency) for as little as five US dollars.

What parents can do

Actively monitor your child's online activity. These websites are very easy to find, meaning children and young people can easily navigate their way to these websites and pay for hacks. Not only is this an illegal activity, but you have the risk of giving your personal information to someone who may misuse it.

THE RISK - ADDICTION

Addiction is a risk with any game. Game developers use persuasive design techniques to force users to invest their time, and often money, in a game. Within GTA, your character is able to progress through the game for completing missions within a certain time frame, encouraging children to keep returning to the game. Gaming addiction is now a recognised health condition and the side effects are concerning, including sleep deprivation, decreased attention span and erratic emotional behaviour.

What parents can do

There are a number of things you can do if you are concerned about your child's screen time, including setting time limits within the home, especially during meal times and before bedtime. Talk to your child and ask why they are spending so much time on the game, and encourage healthy alternatives such as outdoor activities and spending quality time with friends and family.

THE RISK - LIVE CHAT

When playing GTA online, players have the option to use a microphone to broadcast their voice live to other players involved in the 'session'. These live voice chats are not moderated, meaning anything could be said, including inappropriate language, as well as verbal forms of bullying.

What parents can do

Talk openly with your child about not giving away personal information. Also remind them that conversations can be recorded, which could damage their online reputation. Depending on the device/platform, there will be ways to mute conversations. Make yourself aware of the device/platform's individual settings and ensure that your child knows how to block and report.

THE RISK - MICROTRANSACTIONS

By completing missions and partaking in certain activities you earn in-game currency. This allows you to buy things such as prostitutes, vehicles, weapons, ammo, new outfits, cars, apartments and more. However, the items that are available to buy often have a high price that require a lot of game time, meaning this item is pretty unrealistic to buy.

What parents can do

If you do not want your child to make payments, ensure your card is not associated with their account. If you are happy for your child to make payments in the game, but want to limit it spending, we suggest purchasing a pre-paid gift card for your child. These can be purchased in specific amounts which will allow you to limit how much your child spends and removes the need for a credit or debit card to be used with their account.

ONLINE MUSIC PRODUCTION LESSONS

Interested in music, technology, or creating your own tracks?

Create music from the comfort of your own home!

Our Online Music Production lessons are the perfect place to start - no experience needed!

- Learn to create beats, basslines & chord progressions
- Mix, arrange and structure your own songs
- Explore a huge range of styles and genres
- Follow our structured Music Production curriculum
- Work towards recognised stage certificates
- Suitable for Year 4 - Year 8

All taught online after school

Join a FREE Taster Session

Come and experience what our weekly music production lessons are like each week!

In this interactive session, we'll demonstrate how we use BandLab to recreate elements of a popular song - exploring what's possible with just your creativity and a laptop.

Sign up for a session on:

- Monday 13th July - 4:30-5:30pm
- Thursday 16th July - 4:30-5:30pm
