## Message from Mrs Mullett

It's been a fantastic start to the summer term across our federation — the children have settled back in beautifully, focused and really enjoying their learning. A big thank you to everyone who took the time to complete the recent Ofsted survey; we're truly grateful for your support and look forward to sharing the report with you once we receive it later this term. It was also lovely to see so many children dressed in red, white, and blue for our VE Day celebrations — the sunshine, picnic, and smiles made it a special day for everyone!

Our school now has a travel plan to reduce traffic outside of our school. We have joined Modeshift Stars to promote active travel to school to support our community. We are also trying to reduce traffic of cars outside of our school. Please look out for further information.

Ofsted Report September 2023 comments:

'the evidence gathered suggests that the inspection grade might be outstanding if a graded (section 5) inspection were carried out now, the school's next inspection will be a graded inspection'

'exceptional early years setting where staff are experts in early education'

'Pupils, including those with special educational needs and/or disabilities (SEND) achieve extremely well'

'The possibilities are endless for pupils who attend the school'

## Message from the road safety team at Hampshire

*The Road Safety Team are always shocked to hear how many children don't always wear their seatbelt, even as young as Year 5 pupils, so we are aware that this is such an important message and could save the children's and their families lives.*

*Below is a link that highlights information about the use of booster seats as well as seatbelts and reminds parents of the seatbelt laws.*

### Sun Lotion

With the warm weather increasing. Please ensure your child comes to school wearing sunscreen. Due to safety of others sunscreen is not to be brought into school and reapplied.

### Y4 Minstead Study Centre

Y4 had the most wonderful time at Minstead Study Centre. The children listened extremely well and engaged in all activities which ranged from pond dipping, compost making to spotting animal tracks. We received lovely feedback from the study team at Minstead regarding the children's positive behaviour and level of engagement. It was a gorgeous day in The New Forest and we're so proud of the children following all of the Golden Rules so beautifully.
